CHILDREN'S SUMMER PROGRAM

Once again this year, our Recreation Office will offer a "Summer Program" for the children of Laboratory employees. Supervision will be provided by two experienced instructors.

Registration of each child must be made in advance, and parents will be requested to sign a responsibility form agreeing to the Program's necessary regulations.

Both the on-site play sessions and the swimming lessons will begin the week of July 6 and continue for a seven-week period through August 21. A special activities day has been planned at the swimming pool to climax the Program on Tuesday, August 25.

ON-SITE PLAY SESSIONS

This morning portion of the Program will be for the children of on-site residents only. Participants must be at least five years of age. The sessions will be held daily from 9:00 a.m. to 11:30 a.m. at the Recreation Building in the apartment area. Applications will be sent directly to residents.

SWIMMING LESSONS

The afternoon segment of the Program will be open to all employees' children. Classes will be conducted at the pools weekdays from 1:00 p.m. to 2:30 p.m. Each child will be scheduled for one lesson per week.

Watch the BULLETIN BOARD for further Summer Program details, including registration forms, fees, schedules and other specific information.

BNL VISITORS

The seventeenth annual Biology Symposium is being held at the Laboratory June 1-3. The topic for this year's meeting is "Subunit Structure of Proteins."

Deck officers of the N.S. Savannah will visit the site on June 4.

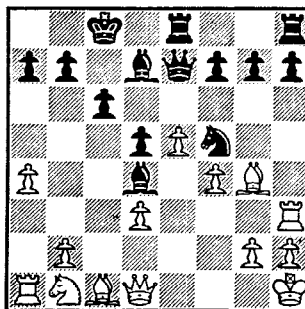

SOFTBALL FIELDS

The softball fields on Brookhaven Avenue, Princeton Avenue, and Upton Road are to be used **only** for scheduled league games, scheduled practices, or scheduled department games. **No activity is scheduled prior to 5:00 p.m.**, and the fields are not to be used before this time.

The field reservation schedule is at the Recreation Office, 3 Center Street.

CHESS PROBLEM

In this week's problem, White's Pawn structure is not too healthy and one of the developed Rooks is out of place. It is Black's move and win. Solution elsewhere in the BULLETIN BOARD.

BULLETIN BOARD NOTICE

For all BULLETIN BOARD questions, please contact Janet Whitehead or Evonne Hammond at the Personnel Office, Ext. 2513.

WORLD'S FAIR LITERATURE

The World's Fair "OFFICIAL GUIDE BOOK" and "OFFICIAL SOUVENIR MAP," which list for \$1.00 each, have been reported by our early Fair visitors as being invaluable aids. A quantity purchase of both has now made them available for direct purchase at the Recreation Office for the discount price of \$.80 each.

FOLK DANCING

Here's your chance to learn the polka, waltz, schottische — and also the hambo from Sweden, kolos from Yugoslavia, syrtos from Greece, horas from Israel, the krakowiak from Poland, and even tinikling from the Philippines. All you need to bring is a pair of comfortable shoes and plenty of enthusiasm — we supply the music and the teaching. The Brookhaven Folk Group will start its summer series of weekly programs of folk dancing at the Recreation Hall on Monday, June 8, at 8:00 p.m. Regular sessions will be held each Monday thereafter for the balance of the summer. Folk dancers with all levels of experience are welcome at all times. However, the first few sessions of the summer will be aimed especially at beginning dancers.

BOWLING PARTY PICTURES

Since everyone's asking for them, orders for copies of the pictures taken at the Bowling Awards Presentation Evening will be accepted at the Recreation Office until June 12. Cost per print is five cents.

BROOKHAVEN PEACE SEMINAR JUNE 4, 1964

A Brookhaven Peace Seminar, co-sponsored by the Brookhaven Chapter of the Federation of American Scientists, will be held on Thursday, June 4, at 8:30 p.m. in the Old South Haven Church, Brookhaven. Dr. Naomi Shohna will speak on the topic "Hiroshima Today: The After Effects of THE BOMB."
